Sir:

Petitioner respectfully requests review of the accompanying Notice of Incomplete Nonprovisional Application mailed on April 22, 2005, which initially denies a filing date to the present application on the ground that the application was allegedly deposited without drawings.

Section 503 of the Manual of Patent Examining Procedure (MPEP) clearly states that a postcard receipt which itemizes and properly identifies the papers which are being filed serves as *prima facie* evidence of receipt in the United States Patent and Trademark Office of all the items listed thereon, on the date stamped thereon by the United States Patent and Trademark Office.
